10PPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

not only did it not work - it actually worsened
my condition. I need this medication - it's
necessary and it's a miracle! I have been
able to have some semblance of normalcy
for the past 3 years (once the brain takes the
progestin), passing a law for "unproductive citizens"
would completely & utterly take away any chance
I have at working, children & my relationships
with family & friends. I beg you not to take
my life away or anyone else who needs these
medications! Thank you!
